Civil Action No. 1:15-cv-00291-CCC

(Judge Christopher C. Conner)

**CERTIFICATE OF CONCURRENCE/NONCONCURRENCE**

Pursuant to Local Rule 7.1, the undersigned counsel for Lower Susquehanna Riverkeeper Association (“LSRA”) certifies that concurrence in its Motion to

Intervene as Plaintiff was sought from counsel for each party and represents as follows:

1. Plaintiff United States of America does not concur with the motion at this time.
2. Plaintiff Pennsylvania Department of Environmental Protection anticipates that it would not concur with the motion at this time.
3. Defendant Capital Region Water does not concur with the motion at this time.

Concurrence was not sought from Defendant City of Harrisburg (“City” or “Harrisburg”) as LSRA’s claims do not involve the City and its involvement ceased following its transfer of duties in this matter to Defendant Capital Region Water. There is no attorney of record listed for Harrisburg, and the existing parties neither included any representatives from the City in communications with undersigned counsel regarding concurrence for the motion nor indicated that the City should be contacted when inquired by undersigned counsel.
